LEGION IN LOAN BUSINESS

Fargo, N. D. Post Adjutant Works Out Plan for the Benefit of His Buddies.

The first instance in which the American Legion has gone into the trust, savings and loan business is reported from Fargo, N. D.

To encourage thrift and to help the needy, the post, on January 1, 1921, instituted an American Legion Bonus Loan association from plans worked out by Arthur F. Collier, post adjutant.

Four hundred of the post's 700 members already have deposited sums from \$5 to \$25 on which five per cent interest is paid. A Legion man wishing to borrow assigns his state compensation claim to the Legion—it will require eight years for North Dakota to pay all service men the bonus awarded them. The borrower may obtain up to 50 per cent of the amount to be awarded him by the state. He pays interest at 8 per cent.

Business is transacted through a Fargo bank. To date more than fifty loans have been made and more than \$20,000 has been paid into the savings fund. A dividend is paid semi-annually to depositors. Immediately upon being granted a loan, the person to whom it is made must open a savings account to insure proper expenditure of the money. Legion posts in many states have written the Fargo post for information upon which to base a similar system.

THINK HE WILL BE GOVERNOR

People of Washington State See Bright Future for Their Soldier Lieutenant-Governor.

"He's just naturally lucky," the people of Washington say of William Jennings Coyle, their lieutenant-governor, who they claim, is the youngest man in the world holding that office.

Coyle has been a "natural athlete" since kindergarten days. For four years he was Gil Doble's quarterback on the famous University of Washington team. He pitched and fielded for the varsity baseball team and he was a star hurdler. Following graduation he was a reading clerk in three sessions of the Washington legislature.

During the war, he claims, his luck held. He was promoted from second lieutenant to captain for bravery, was wounded in the Argonne while serving with the 393d Infantry, and was awarded a Distinguished Service Cross for gallantry. He is 33 years old, the father of two girls and sells farm tractors when not occupied with his official duties as lieutenant-governor. The people of Washington declare he will be lucky enough to be the youngest governor in the United States after next election.

PROBLEMS OF THE NAVY MEN

Conference of Legion Committee to Devise Ways for Benefit of Members of Branch.

Problems of the navy men who are members of the American Legion and policies affecting naval ex-service men generally will be discussed at a conference of the naval affairs committee of the Legion in Chicago this fall. The meeting has been called by Edward E. Spafford, New York, chairman of the committee, who will announce the date of the conference later.

"The fact that there were eight times as many men in the army as there were in the navy during the World War has tended to minimize the needs of the navy ex-service men," Mr. Spafford declared in announcing the conference. "Few persons know of the high percentage of tubercular cases developed by men in the submarine and submarine service, for instance."

The members of the committee, besides Mr. Spafford, are: Benjamin Briscoe, Michigan; Philander Briscoe, Maryland; Claudine G. Pandell, Wisconsin; Fred A. Tillman, California; and C. W. Neville, Jr., Louisiana. The members ranged in rank from lieutenant commander to petty officer.

Legionnaires Respond.

When a post of the American Legion in Jackson, Miss., asked for volunteers to save the life of Walton A. Crawford, overseas veteran, by blood transfusion, 12 legionnaires responded. Crawford, seriously injured in a street car accident, is recovering.

Attend Funeral in Columbia. Mr. and Mrs. R. Blanchard were in Columbia Sunday where they attended the funeral of Herbert Williams, the first Boone County boy killed in the World War. Both Governor Hyde and Governor Allen of Kansas were honorary pallbearers.

Dr. Stribling, who is holding the meeting at the Presbyterian church with Dr. A. A. Wallace is the guest of Mr. and Mrs. G. W. Robertson.

QUARTER CENTURY SEARCH REWARDED

Mrs. Ida Pickett, 274 South Division St., Buffalo, N. Y., says:

"Twenty-five years is a long time to keep looking for something without finding it, and it's no wonder I almost lost hope. But I finally found what I was hunting—a medicine to relieve me of an awful case of indigestion. Tanlac rewarded my long search for relief and I now enjoy better health than I have in thirty years."

Many people on verge of despair have taken Tanlac and recovered. Tanlac is sold in Mexico by Zim's Retail store and leading druggists everywhere. d Sat w1 Advertisements

Catarhal Deafness Cannot Be Cured

Local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of Deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces of the Eustachian Tube. The blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarhal Deafness that cannot be cured by HALL'S Catarrh Medicine. Circulars free. All Druggists. The F. J. CHENEY & CO., Toledo, O.
